From 40, get off on exit 319, which is hwy 210. Take a right at the top of the exit ramp. Go to your second stop light which is about 2 miles, there will be a blinking light stop light, and take a left there on Old Fairground road. Dave's gas and grill is on the corner there where you are taking a left.

From Angier take 210 heading towards Smithfield for approximately 6 miles. Take a right at Old Fairground road, there is a blinking stop light there and Dave's gas and grill is on the corner there where you are taking a right.

Travel approximately 3 miles on Old Fairground Road and the road will start to get curvy. 35 mile per hour sign, then a 20 mile per hour sign, go over the creek bridge and the road will fork. Go right on Massengill Pond. Travel for one mile and at the top of the hill where the white picket fence is on your right with a bunch of pines turn left onto Ridge Road. Go less than a 1/2 mile and take a left on Clayton. Travel about one mile. Once housing appears on your right look to your left for Pleasant Court. It's a dirt/gravel road next to 683 Clayton. Take that left and I'm the third house. There is split rail fencing at the front of my drive, and the numbers can barely be seen on the entry located on the post. I have the only split rail fencing on the private road.

Again, Pleasant Court is a gravel road next to 683 Clayton Road. I'm the third down on the left. There is split rail fencing at the front of my land with the address on the entry, you can barely see the house from the gravel road so watch for the fencing. Only wood fencing on the left.

My number is (919) 656-8898

Feel free to give me a call and I can give you additional land marks as you are driving to us.
